

St. Mary's Catholic School Food Handler's License Online

**Required for Cafeteria Volunteers, Turkey Dinner Servers,
anything where food is being served!**

Volunteers that will be serving food are now able to obtain the Food Handler's License online! If you will be helping in the cafeteria or at any of our events where you will be handling food, please go online and complete the training. It is very easy!

The website is: www.graysoncountyhealth.com/volunteer/

You will first need to create an account. Your login and password will then be emailed to you.

Once you have your login and password you may begin! When you are logged in, select "take course" from the left menu. Then select "Study" on the Volunteer Food Handler's License tab.

After you have studied, take the test and a certificate will be either mailed or emailed to you. Please forward the email to Karen Martin at the school office or print a copy of the certificate and bring it to Karen Martin. The certification is good for 2 years. **THIS IS ONLY FREE UNTIL SEPTEMBER 30TH!**

The computers in the Conference Room are available if you would like to use them to complete your training. Please contact Karen Martin in the school office for further assistance!

Thanks for your continued support of SMS!
